

Tema 5 Grundlæggende animation

I tema et har jeg lært om CSS , funktioner, intro til js, variables, vector

:funktioner

```
function addNumbers() {  
  let number1 = 15;  
  let number2 = 20;  
  let result = number1 + number2;  
}
```

:variables

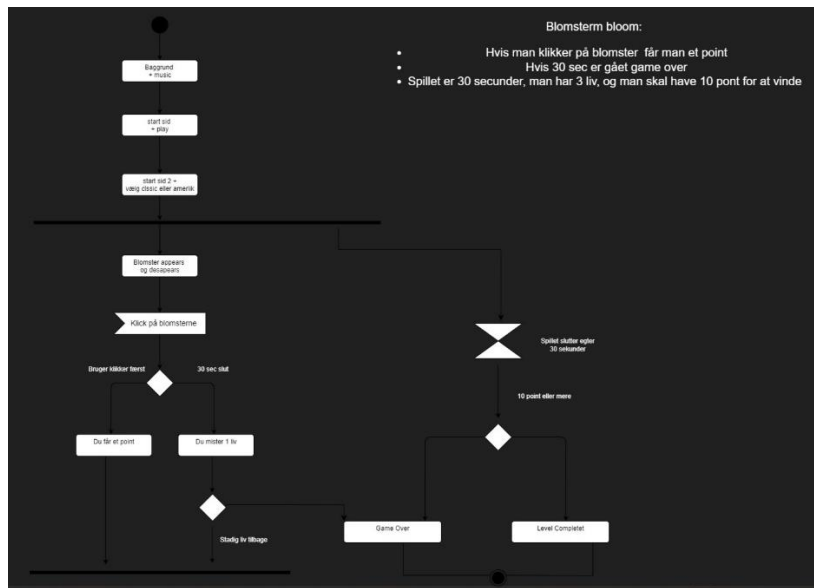

```
let number = 5;  
let result = number + 3;  
  
console.log(result);
```

Output: 8
